THE CODEX OF JUDGES AND DELEGATES

MWF - MAJORETTE-SPORT WORLD FEDERATION

I. GENERAL PROVISIONS

Article 1

This Codex determines the way how to become a judge or delegate of the MWF, moral and other criteria of judges and delegates of the MWF (in further text: judges and delegates) in the performance of their official duties before, during and after the competition and during other activities and obligations, which have been implemented or will be pursuing in connection with the jurors and delegates on the basis of Articles of the MWF, MWF Competition Rulebook, MWF Judges Rulebook and other legal acts of MWF.

Article 2

- a) a MWF Judge is an official person older than 25 who is holding a valid juror certificate and who can evaluate the majorette-teams on majorette competitions in the MWF member states in accordance with the MWF regulations listed in the Article 1 of this Codex.
- b) For the individual competitions are the judges elected and delegated by the Judicial Committee of MWF, in accordance with legal provisions and regulations of the MWF.

Article 3

A MWF Delegate is an official person who follows the rules of the competition at a position higher than the judges of MWF. At the meetings for which he is delegated by the Judicial Committee of MWF is the MWF delegate the only one official representative who makes decisions on behalf of the MWF in accordance with the MWF rules.

II. THE WAY TO BECOME A JUDGE OR DELEGATE of MWF

Article 4

- a) The judges are official persons who have to attend the juror's seminar and pass the examination for judges of MWF.

- b) At the juror's examination can participate only candidates who have been nominated for this examination by the president of the national association of the MWF member country. The nomination has to be sent to the Judicial Committee on the specified form and due to day provided. The nominated candidate has to fulfill all the requirements settled by the committee to attend the examination.
- c) the conditions for participation at the examination:
- The candidate has to be on the examination day 25 years old

 - Attend the juror's seminar
 - Payment of the fees for juror's examinations as well as the seminar
 - Nomination by the president of the national association of the MWF member country
 - It must demonstrate integrity and loyalty to the MWF
- d) If the candidate nominated does not fulfill the conditions to attend the juror's examinations listed in the Article IV paragraph c of this code, the Judicial Committee can grant an exception for this candidate. This exception can be granted only if two of the following conditions has not been fulfilled: the age – the candidate has to be older than 25 years and nomination for the examination – s/he has to be nominated by the president of the national association of the MWF member country. In all the other cases no exception can be granted.
- e) The exemption may apply:
- President of the National Association of MWF member country that has nominated the candidate
 - An individual member of the MWF, which is not registered through the national association of the Member State MWF (the member state at the time is out of the national association, there are some national associations that failed to resolve legal acts to become a member of the MWF etc ...)
- f) The application for exemption must be sent in writing (e-mail – judicialcommittee.mwf1@gmail.com) to the Commission no later than on the closing day for the examinations applications
- g) exemptions may be granted only by the Judicial Committee. Exemption must be confirmed in writing otherwise it is invalid.
- h) except the Commission judges will, after careful consideration, only in exceptional circumstances - for example. MWF shortage of judges nominated reaches the required age by the end of the year, with tests for judges are held early that year and the

- d) **The delegate has an obligation to lead the judges session to decide in questions which are in his competence. The delegate is obliged to inform Judicial Commission of any deficiencies found in the competition.**
- e) **The delegat supervises the regularity of work of judges and judicial trainees, and inform judicial commitee about possible shortages of the competition. Delegate has an obligation to contact the organizer and co representatives of competitors.**
- f) **The delegate has the right to draw attention to inconsistencies in the evaluation, the right to draw attention to faulty evaluation but does not have the right to change the decision of the judges regarding the assessment of the contestants itself.**
- g) **A delegate checks and corrects the work of scrutineers and decide about the publication of results.**
- h) **In case of insufficient number of delegates (eg. a large amount of competitions in certain period, disease etc) may the Commission delegate for the delegate another person who has a valid certificate for the MWF juror and is a member of one of the MWF bodies.**

Article 6

The examination consists of the following parts:

- **Written, theoretical examination of minimum 30 questions regarding the competition rules for majorette teams**

- Practical part - video-examination of the identification and evaluation of errors in choreographed dance and parade march, which runs through the DVD or video presentations.

Article 7

- Examination is prepared by the members of the Examination Committee, which must have at least 3 members.
- Only Judicial commissie members may be members of the examination board.
- Supervision over the work of Examination Committee has the chairmen Judicial Committee of MWF which has to verify the results and grades adopted by the Examination Committee and this within 7 days after the examination. The highest (2nd level) supervision over the Examination Committee under the Articles of MWF has the General Assembly of MWF.
- Written part of the examination and all decisions of Examination Committee are public and must be presented to candidates on request.

Article 8

Judicial Committee notify the examination date at least 30days prior to the conduct of the examination. The Judicial Committee in the notice shall specify the location and time of the test.

Article 9

Members of the Examination Board shall maintain the confidentiality of test materials until the ending of the examination.

Article 10

For examination the Judicial Committee may approve specific brochures, scripts, books, video and DVD recordings, and similar materials, and may authorize the organization of seminars to prepare the examination.

Article 11

- The test passed the candidate who received in the theoretical part at least 80% , meaning he answered correctly at least 80% of the questions in the

written part - test, passed the oral examination and in the practical part reaches at least 60% .

- b) The candidate who has passed the theoretical part of the examination and in the practical part did not achieve the required points but did not have a difference in points greater than 5 %s/he can ask the Judicial Committee to repeat the practical part of the test and play the role of a trainee.
- c) A candidate who failed in the theoretical and practical part of the test or cannot repeat the test in that year and cannot be a trainee neither.

Article 12
